# Report of Independent Auditors

Board of Directors Prevent Child Abuse America Chicago, Illinois

We have audited the accompanying financial statements of Prevent Child Abuse America which comprise the statements of financial position as of December 31, 2015 and 2014 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Prevent Child Abuse America as of December 31, 2015 and 2014 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Notes to Financial Statements

Years ended December 31, 2015 and 2014

#### Note A - Nature of Activities

Prevent Child Abuse America is an organization established for the purpose of building a nationwide commitment to prevent child abuse in all its forms. Prevent Child Abuse America is supported primarily by contributions and grants from corporations, foundations and individuals and from fees for services.

### **Note B - Summary of Significant Accounting Policies**

#### Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Accordingly, net assets of Prevent Child Abuse America and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of Prevent Child Abuse America and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by Prevent Child Abuse America. Generally, the donors of these assets permit Prevent Child Abuse America to use all or part of the income earned on these investments for general operations.

#### Subsequent Events

Prevent Child Abuse America has performed an evaluation of subsequent events through April 5, 2016, which is the date the financial statements were available to be issued and has considered any relevant matters in the preparation of the financial statements and footnotes.

### Notes to Financial Statements (Continued)

### Note B - Summary of Significant Accounting Policies (Continued)

#### **Contributions**

Contributions, including unconditional promises to give, are recorded when received. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized as revenue when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are recorded at their net realizable value which approximates fair value. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using adjusted risk-free interest rates applicable to the years in which the promises were received.

Prevent Child Abuse America uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

#### Cash and Cash Equivalents

Prevent Child Abuse America considers cash deposited in banks and money market fund investments to be cash equivalents, with the exception of the cash that is included in the investment portfolio. That cash is designated for long-term investment purposes.

#### Accounts Receivable

Accounts receivable include amounts related to training fees, publications and other services and are reflected on the statement of financial position net of an allowance for doubtful accounts. The allowance for doubtful accounts is determined based upon an annual review of account balances, including the age of the balance and historical experience with the customer. Management will record adjustments as necessary, which are reflected in the statement of activities. At December 31, 2015 and 2014 Prevent Child Abuse America recorded \$22,977 and \$0, respectively as bad debt expense.

#### *Furniture and Equipment*

Furniture and equipment are recorded at cost or at estimated fair value at the date of gift. Donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire furniture, fixtures and office equipment are reported as temporarily restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, Prevent Child Abuse America reports expirations of donor restrictions when the donated or acquired assets are placed in service as

### Notes to Financial Statements (Continued)

### Note B - Summary of Significant Accounting Policies (Continued)

#### *Furniture and Equipment (continued)*

instructed by the donor. Prevent Child Abuse America reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Prevent Child Abuse America depreciates furniture, fixtures and office equipment over their estimated useful lives, typically 5 years, using the straight-line method.

#### Contributed Services and Materials

Donated services and materials are reported as contribution revenue and as assets and expenses only if the services and materials create or enhance a nonfinancial asset, require specialized skills and are provided by individuals possessing those skills, are measurable, and would have been purchased if they had not been contributed. Donated services and materials are measured at their fair value.

### *Functional Allocation of Expenses*

Prevent Child Abuse America allocates its expenses to the separate functional categories of program services and supporting services based on the number of employees associated with the conduct of each function. The costs that have been allocated include rent, utilities, payroll, payroll related costs, printing, computer service, office supplies, telephone, accounting, auditing, equipment rental, postage and insurance.

#### **Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### *Investments*

Prevent Child Abuse America carries investments at fair value and reports gains and losses in the statement of activities. The fair value of investments are based on quoted market prices at the reporting date.

Prevent Child Abuse America invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those such changes could materially affect the amounts reported in the statement of financial position.

### Notes to Financial Statements (Continued)

### Note B - Summary of Significant Accounting Policies (Continued)

#### *Investments (Continued)*

The Board of Directors designates a portion of Prevent Child Abuse America's total investment return for support of current operations in accordance with the Board's investment policy.

### Deferred Revenue

Deferred revenue consists of conference registration, training and affiliation fees paid in advance. Conference registration and training fees are recorded when the conference or training occurs and affiliation revenues are recorded in the year in which they relate.

#### Concentration of Credit Risk

Throughout the year, Prevent Child Abuse America may have cash and cash equivalents held by financial institutions in excess of the Federal Deposit Insurance Corporation (FDIC) coverage limit. Management does not consider the cash balances above the FDIC insured limit to be a significant credit risk.

#### *Income Taxes*

Prevent Child Abuse America is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and has been classified as an organization that is not a private foundation under Section 509(a)(2). Management has concluded that Prevent Child Abuse America has properly maintained its exempt status.

#### Note C - Accounts Receivable

Accounts receivable at December 31, 2015 and 2014 consist of the following:

	2	2015	2014
Grants and pledges receivable expected to be			
collected in less than one year	\$	63,127	\$ 18,240

Accounts receivable, net	\$ 3	56,953	\$ 332,077

### Notes to Financial Statements (Continued)

#### **Note D - Permanently Restricted Net Assets**

The permanently restricted net assets are endowments consisting of:

- A \$1,000,000 grant from the Pesch Family Foundation, and the related \$1,000,000 matching funds, which contains a donor stipulation that the principal be maintained intact in perpetuity and that only the income from investment thereof be expended for general purposes. Earnings are reported as temporarily restricted net assets until they are appropriated by the Board of Directors.
- A \$500,000 grant from the W. Clement Stone 1990 Revocable Trust which contains a donor stipulation that the principal be maintained intact in perpetuity and that only the income from investment thereof be expended for general purposes. Earnings are reported as temporarily restricted net assets until they are appropriated by the Board of Directors.
- A \$500,000 grant from the Independent Order of Foresters which contains a donor stipulation that the principal be maintained intact in perpetuity and that only the income from investment thereof be expended to support Healthy Families America and the Chapter network with approval of the Foresters. Until designated for operations by the Board of Directors, investment income from this grant is classified as temporarily restricted for these purposes.

### Note E - Temporarily Restricted Net Assets

### Note F - Investments and Fair Value Measurement (Continued)

In accordance with GAAP, Prevent Child Abuse America prioritizes the inputs to valuation techniques used to measure fair value. The levels of the hierarchy and those investments included in each are as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities traded in active markets that Prevent Child Abuse America has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for substantially the entire period for the asset or liability and market-corroborated inputs.

Level 3: Inputs to valuation methodology are unobservable for the asset or liability and are significant to the fair value measurement.

At December 31, 2015 and 2014, Prevent Child Abuse America's investments in mutual funds and equity securities are measured at fair value based on quoted market prices for actively traded securities (Level 1).

### Note G - Furniture and Equipment

Furniture and equipment at December 31 consists of:

 2015		2014
\$ 91,030	\$	114,864

Depreciation expense was \$21,287 and \$17,078 for the years ended December 31, 2015 and 2014, respectively.

Prevent Child Abuse America leased certain equipment under terms of capital leases. The economic substance of the leases was that Prevent Child Abuse America financed the acquisition of the assets through the lease and, accordingly, the related assets and liabilities were recorded in the statement of financial position. During 2010, Prevent Child Abuse America entered into a new leasing agreement which expired in 2015. As part of the leasing agreement, Prevent Child Abuse America also obtained a loan from the leasing company in the amount of \$46,853. The loan had the same terms as the equipment lease.

Event Contract

During 2015, Prevent Child Abuse America entered into a contract for a future conference in 2016. In the event the conference is cancelled, Prevent Child Abuse America can be held liable for liquidated damages. The potential liability at December 31, 2015, in the event of cancellation is \$62,409.

#### Note L - Endowments

Prevent Child Abuse America's endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Board of Directors of Prevent Child Abuse America has interpreted the Illinois Uniform Management of Institutional Funds Act (UMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, Prevent Child Abuse America classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted, if so restricted by the donor, or unrestricted net assets. In accordance with UMIFA, Prevent Child Abuse America considers the following factors in making a determination of the amount to appropriate for current operations:

- (1) The duration and preservation of the fund;
- (2) The purposes of the organization and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of the organization; and
- (7) The investment policies of the organization.

All permanently restricted net assets are required to be retained permanently either by explicit donor stipulation or by UMIFA at December 31, 2015 and 2014.

### Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UMIFA requires Prevent Child Abuse America to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in unrestricted net assets. There were no deficiencies as of December 31, 2015 and 2014, respectively.

#### *Return Objectives and Risk Parameters*

Prevent Child Abuse America has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the historic dollar value of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or until as used per donor specifications as well as Board designated funds. Under this policy, the endowment assets are invested in a manner that is intended to produce results that exceed the rolling three year return of a weighted benchmark including the Standard & Poor's SOD index for domestic equity

securities and the Morgan Stanley Capital International Non-U.S. index for international equity investments, while assuming a moderate level of investment risk. Prevent Child Abuse America expects its endowment funds, over time, to provide an average rate of return that exceeds the rate of inflation as measured in the Consumer Price Index by 5% annually. Actual returns in any given year may vary from this amount.

#### Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, Prevent Child Abuse America relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Prevent Child Abuse America targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy The Board of Directors annually appropriates a portion of the total return on its investments to current operations. Under Prevent Child Abuse America's policy, \$1,665 and \$26,126 of endowment earnings in 2015 and 2014, respectively, were appropriated to support current operations. In determining the amount to appropriate, the Board of Directors considers the long-term expected return on its endowment. This is consistent with the Organization's objective to maintain the preservation of the fair value of the original gift held in perpetuity or for a specified term as well as to provide predictable amounts of funds for current operations. The total return on endowment funds are reduced by investment fees incurred related to those funds.
