

PCA AMERICA IMPACT PARTNERS

Prevent Child Abuse America envisions a world in which all children and families are living a purposeful and happy life with hope for the future.

An estimated 1 in 7 children experience abuse in the United States every year. The impact of this trauma may follow them into adulthood.

At PCA America we follow the evidence and take a comprehensive approach to keeping children safe and families strong. **What does this look like?**

- **Running a top-ranked, national home visiting program, Healthy Families America**, with demonstrated effectiveness in more than 40 peer-reviewed studies. Serve 70,000 families annually across 550+ sites.
- **Providing thought leadership and support to a diverse and active chapter network** that serves local, community-based needs to more than 3M people every year.
- **Conducting research** to better understand what policies and programs are effective in preventing abuse and neglect.

Who are the PCA America Impact Partners?

Our Prevention Impact Partners are a select and diverse group of supporters who are dedicated to helping the organization end child abuse and neglect. They go the extra mile by sharing their expertise, building the PCA America network, and spreading the message of prevention.

What this partnership looks like depends on each individual—from hosting a small fundraising dinner to introducing us to partners who can donate pro-bono services. They contribute personalized expertise to help us improve our programs, services and internal operations. There are no set meetings—we meet them where they are, 1:1, on their time.

Our Impact Partners not only uplift our work—they also join a community of like-minded individuals who:

Have an increased impact on the mission to end child abuse

Receive invitations to exclusive events and webinars

Experience 1:1 time with our Senior Leadership Team

How can you become an impact partner?

- Be available for individual consultation with the PCA America CEO, board or other senior leaders, as your availability permits.
- Share PCA America events, message, and news with your network.
- Make an annual financial contribution of \$5K or more.
