INDEPENDENT AUDITORS' REPORT

Board of Directors
Prevent Child Abuse America

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Prevent Child Abuse America (the Organization), which comprises the statement of financial position as of March 31, 2026, and the related statements of activities, functional expenses, and cash flows for the year ended March 31, 2026 and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of March 31, 2026, and the changes in its net assets and its cash flows for the year ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 11, 2026, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. The report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2026**

NOTE 1 NATURE OF ACTIVITIES

Prevent Child Abuse America (the Organization) is an organization established for the purpose of building a nationwide commitment to prevent child abuse in all its forms. Prevent Child Abuse America is supported primarily by contributions and grants from corporations, foundations, and individuals and from fees for services. Program services include Prevention Education, Prevention Research, Prevention Programs, Prevention Advocacy, Chapter Activities, and Strategy Activities. Management and General and Advancement are classified under supporting services.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed stipulations and include board-designated funds. In December 2017, the board of directors approved the establishment of an Operating Reserve Fund. The purpose of the board-designated fund is to build and maintain an adequate level of net assets to support the Organization's day-to-day operations in the event of unforeseen shortfalls. The reserve may also be used for one-time, nonrecurring expenses that will build long-term capacity, such as staff development, research and development, rebranding, investment in infrastructure, or a temporary lapse in core program funding.

Net Assets With Donor Restrictions – Net assets that are subject to donor-imposed restrictions. Some net assets are subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity (generally, the donors of these assets permit the Organization to use all, or part of the income earned on these investments for general operations). Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose has been fulfilled, or both.

**PREVENT CHILD ABUSE AMERICA
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2026**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The Organization considers cash deposited in banks, certificates of deposit, and money market fund investments to be cash equivalents, with the exception of the cash that is included in the investment portfolio. That cash is designated for long-term investment purposes. Cash and cash equivalents are maintained on deposit with various financial institutions and investment companies, which at times may exceed federally insured limits.

Accounts Receivable and Allowance for Credit Losses

Accounts receivable include amounts related to training fees, rebates, and other services. Accounts receivable are presented net of an allowances for credit losses, which is an estimate of amounts that may not be collectible. The Organization separates accounts receivable into risk pools based on their aging. In determining the amount of the allowance as of the statement of financial position date, the Organization develops a loss rate for each risk pool. This loss rate is based on management's historical collection experience, adjusted for management's expectations about current and future economic conditions.

Beneficial Interest in Trusts

The Organization is the income beneficiary under various charitable trusts, the corpus of which is not controlled by the management of the Organization. Although the Organization has no control over the administration or investment of the funds held in the charitable trusts, in accordance with U.S. GAAP, the current fair value of the beneficial interest in the charitable trusts is recognized as accounts receivable in the accompanying financial statements. The beneficial interest in the charitable trusts comprise \$16,008 of the accounts receivable (short-term) balance as of March 31, 2026.

Investments

The Organization carries investments at fair value and reports gains and losses in the statement of activities. The fair value of investments are based on quoted market prices at the reporting date.

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those such changes could materially affect the amounts reported in the statement of financial position.

The board of directors designates a portion of the Organization's total investment return for support of current operations in accordance with the board's investment policy.

Copyright

Copyright is recorded at cost, net of amortization. The copyright is being amortized over its estimated useful life of six years. See Note 8.

**PREVENT CHILD ABUSE AMERICA
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2026**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Furniture and Equipment

Furniture and equipment are recorded at cost or at estimated fair value at the date of gift. Donations are reported as support without restriction unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire furniture, fixtures, and office equipment are reported as net assets with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

The Organization's capitalization threshold is \$600. The Organization depreciates furniture, fixtures, and office equipment over their estimated useful lives, typically three to five years, using the straight-line method.

Impairment of Long-Lived Assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or the fair value less costs to sell.

Leases

The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets and lease liability in the statement of financial position.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right-of-use assets on the statement of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of all lease liabilities.

**PREVENT CHILD ABUSE AMERICA
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2026**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

The Organization has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

Deferred Revenue

Deferred revenue consists of conference registration, training, and affiliation fees paid in advance. Conference registration and training fees are recorded when the conference or training occurs and affiliation revenues are recorded in the year in which they relate.

Revenue Recognition

The Organization derives its revenue primarily from contributions, programs, and conferences. Revenue is recognized in the year in which it is earned. The following discloses the recognition for the Organization's most significant revenue streams:

Contributions

Contributions, including unconditional promises to give, are recorded when received. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give, that is those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. Unconditional promises to give due in the next year are recorded at their net realizable value which approximates fair value. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using adjusted risk-free interest rates applicable to the years in which the promises were received, and are included in accounts receivable on the statement of financial position.

A portion of the Organization's revenue is derived from cost-reimbursable federal grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract and grant provisions. Any amounts received in advance would be recorded as a refundable advance in the statement of financial position. For the year ended March 31, 2026, contributions of approximately \$1,089,000 have not been recognized in the accompanying statement of activities because the qualifying expenditures have not yet been incurred.

**PREVENT CHILD ABUSE AMERICA
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2026**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Program and Conference Revenue

Program and conference revenue is made up of the following types of revenue:

Affiliation Fees, Chapter Revenue, and Accreditation Fees:

Affiliation fees and chapter revenue is recognized on a calendar year basis. Performance obligations provided to chapters and affiliates include access to technical assistance and support, training, research, capacity building, national conferences, marketing and communications, and networking opportunities, which occur throughout the year. Accreditation fees are application fees recognized when the application and payment is received for sites to begin the accreditation process. There is also a site visit component to accreditation fees, which is recognized upon completion of the visit.

Training and Manuals:

Revenues from training and manuals consists primarily of registration revenue for training sessions, and manuals used in training sessions. Revenue is recognized when the sessions are held or products are purchased.

Conference Revenue:

Conference revenue includes registration and booth space exhibit fees which are recognized when the meeting takes place. Sponsorship revenue is recognized when the sponsored events and activities take place. The Organization considers all conference revenues from conferences to be exchange transactions.

Contributed Services and Materials

Donated services and materials are reported as contribution revenue and as assets and expenses only if the services and materials create or enhance a nonfinancial asset, require specialized skills and are provided by individuals possessing those skills, are measurable, and would have been purchased if they had not been contributed. Donated services and materials are measured at their fair value.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses present the natural classification detail of expenses by function. Expenses that can be identified with a specific program or supporting activity are allocated directly according to their natural expenditure classification. Certain categories of expenses are attributed to more than one program or supporting function and, therefore, require allocation on a reasonable basis that is consistently applied. Costs that meet the criteria for allocation, primarily employee expenses, occupancy, insurance, office expenses and depreciation and amortization, are allocated on the basis of employee time and effort.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and has been classified as an organization that is not a private foundation under Section 509(a)(2). Management has concluded that there are no uncertain tax positions as of March 31, 2026 and that the Organization has properly maintained its exempt status.

Subsequent Events

The Organization has performed an evaluation of subsequent events through August 11, 2026, which is the date the financial statements were available to be issued and has considered any relevant matters in the preparation of the financial statements and footnotes.

NOTE 3 LIQUIDITY

Financial assets available for general expenditure, within one year of the date of the statement of financial position, comprise the following:

Cash and Cash Equivalents	\$ 4,569,447
Accounts Receivable, Net	689,732
Total	<u>5,259,179</u>
Less: Amounts with Restriction	<u>1,351,365</u>
Total Available for General Expenditure	<u><u>\$ 3,907,814</u></u>

Endowment funds consist of two donor-restricted endowments. Investment earnings from donor-restricted endowments are available to support general operations. Investment earnings, net of related investment expenses are recorded as net assets with donor restrictions until the appropriated by the board of directors at which time net assets with donor restrictions are released from donor restriction and reported as net assets without donor restrictions. Donor-restricted endowment funds are not available for general expenditure.

The Organization also has \$6,788,459 in investments that are not subject to donor restriction as of March 31, 2026. \$3,974,273 of unrestricted investments have been designated by the board as an operating reserve as of March 31, 2026.

NOTE 7 FAIR VALUE MEASUREMENT

In accordance with U.S. GAAP, the Organization prioritizes the inputs to valuation techniques used to measure fair value. The levels of the hierarchy and those investments included in each are as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities traded in active markets that the Organization has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for substantially the entire period for the asset or liability and market-corroborated inputs.

Level 3 – Inputs to valuation methodology are unobservable for the asset or liability and are significant to the fair value measurement.

The fair value of assets measured on a recurring basis are as follows for the year ended March 31, 2026:

	Total	Level 1	Level 2	Level 3
<u>March 31, 2026</u>				
Investments:				
Fixed Income - Mutual Funds	\$ 4,434,501	\$ 4,434,501	\$ -	\$ -
Fixed Income - Exchange Traded Funds	1,291,444	1,291,444	-	-
Equities - Mutual Funds	3,199,811	3,199,811	-	-
Equities - Exchange Traded Funds	1,793,480	1,793,480	-	-
Total Investments	10,719,236	10,719,236	-	-
Bequest Receivables	16,008	-	-	16,008
Total	<u>\$ 10,735,244</u>	<u>\$ 10,719,236</u>	<u>\$ -</u>	<u>\$ 16,008</u>

Not included in the previous tables are money market funds of \$2,193,765 as of March 31, 2026.

Fair values for Level 1 investments are determined by reference to quoted market prices and other relevant information generated by market transactions. Fair value of Level 3 beneficial interest receivables is determined by calculating the present value of future distributions expected to be received using a discount rate of 3.93% in 2026. However, final balance is due within 1 year, therefore, no discount in the current year. There has been no change in valuation techniques from the prior year.

NOTE 13 ENDOWMENTS

The Organization's endowment includes two donor-restricted endowment funds. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The board of directors of the Organization has interpreted the *Illinois Uniform Prudent Management of Institutional Funds Act* (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restriction (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with UPMIFA:

The Organization considers the following factors in making a determination of the amount to appropriate for current operations:

- (1) The duration and preservation of the fund;
- (2) The purposes of the Organization and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of the Organization; and
- (7) The investment policies of the Organization.

As of March 31, the Organization had the following endowment net asset composition:

	Without Donor Restrictions	2026 With Donor Restrictions	Total
Donor-Restricted Endowment Funds:			
Original Donor Restricted Gift Amount and Amounts Required to be Maintained in Perpetuity by the Donor	\$ -	\$ 3,000,000	\$ 3,000,000
Accumulated Investment Gains	-	3,124,541	3,124,541
Total	<u>\$ -</u>	<u>\$ 6,124,541</u>	<u>\$ 6,124,541</u>

Donor-restricted endowments consist of:

- A \$1,000,000 grant from the Pesch Family Foundation, and the related \$1,000,000 matching funds, which contains a donor stipulation that the principal be maintained intact in perpetuity and that only the income from investment thereof be expended for general purposes. Earnings are reported as net assets with donor restrictions until they are appropriated by the board of directors.

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2026**

NOTE 13 ENDOWMENTS (CONTINUED)

Donor-restricted endowments consist of (Continued):

- A \$500,000 grant from the W. Clement Stone 1990 Revocable Trust which contains a donor stipulation that the principal be maintained intact in perpetuity and that only the income from investment thereof be expended for general purposes. Earnings are reported as net assets with donor restrictions until they are appropriated by the board of directors.
- A \$500,000 grant from the Independent Order of Foresters which contains a donor stipulation that the principal be maintained intact in perpetuity and that only the income from investment thereof be expended to support Healthy Families America and the Chapter network with approval of the Foresters. Until designated for operations by the board of directors, investment income from this grant is classified as net assets with donor restrictions.

Changes in donor-restricted endowment net assets were as follows at March 31, 2026:

	Without Donor Restrictions	With Donor Restrictions	Total
Endowment Net Assets - Beginning of Year	\$ -	\$ 5,576,813	\$ 5,576,813
Investment Return:			
Investment Income, Net of Investment			
Expenses	-	203,445	203,445
Net Appreciation (Realized and Unrealized)	-	609,631	609,631
Total Investment Return	-	813,076	813,076
Distribution	-	(265,348)	(265,348)
Endowment Net Assets - End of Year	<u>\$ -</u>	<u>\$ 6,124,541</u>	<u>\$ 6,124,541</u>

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. There were no deficiencies as of March 31, 2026.

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the historic dollar value of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or until as used per donor specifications. Under this policy, the endowment assets are invested in a diversified manner that is intended to produce results that meet or exceed the blended benchmark of 34.5% Bloomberg US Intermediate Govt/Credit TR USD Index, 42% Russell 3000 TR USD Index, 23% MSCI ACWI Ex USA NR USD, and 0.5% Bloomberg US Treasury Bill 1-3 M TR USD, while maintaining a prudent level of risk. The Organization expects its endowment funds, over time, to provide an average rate of return that exceeds the rate of inflation by 5% as measured in the Consumer Price Index over a rolling three year period. Actual returns in any given year may vary from this amount.

NOTE 13 ENDOWMENTS (CONTINUED)

Strategies Employed for Achieving Objectives

To satisfy its long-term rate of return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The board of directors may annually appropriate a portion of the total return on its investments for current operations. Under the Organization's policy, \$261,535 was appropriated in the year ended March 31, 2026. In determining the amount to appropriate, the board of directors considers the long-term expected return on its endowment. This is consistent with the Organization's objective to maintain the preservation of the fair value of the original gift held in perpetuity or for a specified term as well as to provide predictable amounts of funds for current operations. The total return on endowment funds are reduced by investment fees incurred related to those funds.

NOTE 15 LEASES

The Organization leases equipment as well as certain office facilities for various terms under long-term, noncancelable lease agreements. The leases expire at various dates through 2031 and provide for renewal options ranging from 1 month to 12 months. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases. Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Additionally, the agreements generally require the Organization to pay real estate taxes, insurance, and repairs. The Organization received a \$30,975 tenant improvement allowance, which was available to upgrade the technology within its new office space. The lease also granted the Organization the option to apply this allowance against future rent payments, which the Organization elected during the year ended March 31, 2025.

The following table provides quantitative information concerning the Company's leases at March 31, 2026:

Finance Lease Costs	\$ 4,756
Operating Lease Cost	208,513

Other Information:

Operating Cash Flows from Finance Leases	716
Operating Cash Flows from Operating Leases	217,212

Total	<u>\$ 33,091,199</u>	<u>\$ 78,572</u>	<u>\$ 7,395</u>	<u>\$ 33,177,166</u>

All contributed nonfinancial assets were utilized by the Organization's programs and supporting services. There were no donor-imposed restrictions associated with the donated assets and services.

Contributions of services (legal and consulting, advertising, and other services) are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Such services (legal and consulting, and other services) are recognized at estimated fair value upon receipt and totaled \$70,925 for the year ended March 31, 2026. Additionally, \$33,079,066 of advertising services were received for the year ended March 31, 2026 and are recognized at estimated fair value upon receipt.

Expenses incurred by board members in service of the Organization for meetings and events that were not reimbursed are recognized as in-kind contributions (travel).

The Organization also received contributed services for its various programs from volunteers which do not meet the recognition criteria described above. No amounts have been reflected in the financial statements for these contributed services.

NOTE 17 RELATED PARTY TRANSACTIONS

The Organization received \$1,240,777 in the year ended March 31, 2026, of support from its board of directors and corporations that employ members of the Organization's board of directors.

NOTE 18 RETIREMENT PLAN

The Organization has a 401(k) plan that covers substantially all employees. The Organization funds the plan through annual contributions based upon a fixed percentage of eligible employees' salaries. The contributions for the year ended March 31, 2026 were \$172,917.
